

EAST GRINSTEAD TOWN COUNCIL

LEADER'S STATEMENT ON WSCC STRUCTURE PLAN DEBATE

Town Council Leader Cllr James Baldwin welcomed the robust contributions by local County Councillors Margaret Collins and Andrew Brock at the County Council debate on the Structure Plan on November 28th.

Cllr Baldwin said, 'Our County Councillors made it crystal clear that any significant housing development in the Town must bring with it an effective relief road and be part of an overall vision for East Grinstead that the community endorses. The Town Council welcomes their robust stands and will continue to work with them, and the Towns' residents, to ensure these vital needs are delivered.'

Cllr Baldwin said the Town Council would be holding further meetings with residents groups prior to agreeing its formal response to the County Council at the February 2nd Council meeting.
