Dear Mrs. Holden,

**Neighbourhood Plan**

I refer to your letter of the 11 November and apologise for the delay in replying as the appropriate Committee did not meet until Monday last.

The Council would wish your Working Group to take into consideration the following -

- (a) Environment. your Questionnaire states that your Council aims, where possible, to develop within your Town's urban boundary. This Council feels that this is not definitive enough and it would expect your Neighbourhood Plan to respect the strategic gaps which already exists between East Grinstead and Crawley Down (Worth Parish) ;
- (b) Highways. Any significant developments in East Grinstead will generate additional traffic on neighbouring roads, especially those through Worth Parish and this Council would expect that any such traffic issues should be discussed between the two Councils before their respective Neighbourhood Plans are finalised.

As to (b), this Council would welcome an opportunity to discuss our respective Neighbourhood Plans as soon as possible on a mutually convenient date in the New Year.

Yours sincerely,

Clerk

Mrs. J. W. Holden  
Town Clerk.  
East Grinstead
