The Town Clerk and the Head of Community and Tourism worked alongside the consultants on the submission of interest application which was submitted on the 31 March.

Thanks were given to officers and residents for the successful community engagement event that was part of the process for the application. It was noted that a substantial number of towns have entered and it was encouraging for East Grinstead to take part, and if the bid was not successful it will assist with taking ideas forwards to the business plan and learning more about what the community want so it has been a worthwhile process. An announcement will be made in the spring with the shortlisted towns, with those shortlisted receiving £60,000 to help deliver their full bids for the next stage. The winner receives £3 million to deliver their bid with two runners up receiving £250,000 to deliver elements of their bid.

Council will be asked to confirm the reappointment of Mulberry & Co, the internal auditor, for a further period of three years to 31st March 2029. The internal audit report findings will continue to be reported to the F&GP Committee on a bi-annual basis.

RESOLVED: To confirm the appointment of Mulberry and Co as the internal auditor for a further three-year period to 31 March 2029.

80 **To consider a response to the East Grinstead Business Improvement District (BID) business survey (Appendix D)**

The initial information sheet had been circulated. Cllr. Whittaker had attended a meeting with officers and the Project Manager from Heatflood who are carrying out the feasibility study work on behalf of Mid Sussex District Council, which is currently in the first initial phase of understanding if businesses support the BID. East Grinstead Business Association are actively involved and have also met with the Project Manager and all businesses in the town are being made aware of the BID and are being asked to complete the survey.

The recent Town Improvement Plan which has been created with the involvement of the Mid Sussex District Council, Town Council and East Grinstead Business Association would be a document that could be used to provide projects that could potentially be delivered by the BID if it should come into place in the future and they could interlink together.

RESOLVED: The Council supported the idea of the Business Improvement District proposal and that the area extends to include the Council offices at East Court.

The date of the next meeting of the Town Council meeting is **Thursday 14th May 2026**

Meeting closed at 8pm.
