

"Why Corgis?"

Dear Queen,

Why did you choose Corgis

From all the sorts of dogs?

Is it because their ears -

Are soft and velvety?

Or that they have dark brown eyes?

Or maybe it's because of their little legs?

(And wiggling bottoms when they walk?!)

I think you made a good choice...

...and when I see one

I think of you

You're Majesty

Love from

Rhys Mitchell
