KEEPING PEOPLE INFORMED – East Grinstead, Imberhorne Lane – Installation of New Signal Controlled Pedestrian Crossing

As part of our continuing programme of improving the highway network, I am pleased to inform you that work is due to commence at the above location as follows.

- Details of Scheme:**
- Installation of new signal controlled Puffin style pedestrian crossing.
 - Inclusion of pedestrian beepers and rotating tactile devices to aid those with visual impairments to cross safely.
 - Installation of new dropped kerbing and blistered paving.
 - Installation of High Friction Surfacing on both approaches to crossing.
 - Temporary two-way traffic lights will be used throughout the duration of the scheme to allow work to be carried out safely.

Scheme Start Date: 6th August 2012

Scheme Duration: Approximately 4 weeks depending on the weather

Supervisors Contact: James Lightfoot – 01243 642105

Contractors: Balfour Beatty Living Places, Landbuild and Telent Traffic

If you have any queries regarding the above works then please contact James Lightfoot on 01243 642105.
