Casual Sessional Youth Workers

£10-12 per hour

We are looking for enthusiastic and experienced youth workers for casual sessions for our weekly outreach mobile work taking place primarily in Mid Sussex between 1500 and 1800 weekdays. You will need to have experience delivering youth work activities and a requirement of the role is to monitor and evaluate your work. Experience working directly with young people in an outreach capacity would be useful.

In addition, we occasionally receive requests from youth clubs in our membership to provide casual sessional youth workers at their club setting, supported by adult volunteers. We would like to create a bank of workers to support these clubs which are often in rural/village locations in West Sussex. Sessions normally run between 1800 and 2200.

All posts would be subject to an Enhanced DBS Check. Please contact us if you need more information or an application form.
