# Annual Town Meeting

Each year the Town Council facilitates an **Annual Town Meeting**. This is a public meeting, not a council meeting, and is a chance for members of the public to ask questions during an open session.

There will then be a chance to chat with and gain a greater understanding of some of the volunteer and charitable organisations in the town.

The meeting is open to all and will take place on 20 March at 6pm in the Meridian Hall, East Court. Tea and coffee will be available.

## Town Council Community Youth Sports Revenue Grants

The Town Council sets aside revenue funds each year to enable it to support, in a relatively modest way, a range of groups and organisations in the town.

Youth Sports Revenue Grants are awarded to groups and organisations to encourage participation in sport for young people. The fund is intended to facilitate new initiatives in youth sport within East Grinstead's civil parish which serve to benefit local East Grinstead residents and seek to improve the health of those participating.

This year, sports grants were awarded as detailed here:

Organisation	Amount recommended 2018/2019 (£)
Imberhorne School	500
Chartham Park Golf Club	500
East Grinstead Swimming Club	500
Synergy Sports Academy (to be allocated, but not paid until 50% of the total has been raised)	500
Sackville School	500
East Grinstead Cricket Club	250
Ashurst Wood Junior Football Club	250
<b>Total</b>	<b>3000</b>

## Voter ID

Mid Sussex is set to take part in the next round of the 2019 Voter ID pilots along with 10 other local authorities across England.

The pilots will take place at the 2019 local elections, providing further insight to the Government into how best to secure the voting process.

At the last local elections, five local authorities took part in the first round of Voter ID pilots. The evaluation following the first trials showed they were a success, with the overwhelming majority of people able to cast their vote without a problem. They are being run by the Cabinet Office.

To verify that voters are who they say they are, each of the 11 local authorities in the 2019 pilot will test one of four models of voter ID checks. In Mid Sussex, voters will be asked to present their polling cards as a means of identification.

Anyone who does not have their poll card with them on polling day will be asked to present another form of photo ID such as a UK or EU photo-card driving licence (full or provisional) or a valid British, European or Commonwealth passport.

Local authorities will provide alternative methods of ID to individuals who do not have a specified form of ID, free of charge, ensuring that everyone who is registered has the opportunity to vote.

To contact Mid Sussex electoral services about the 2019 Voter ID pilot or any other election matter, please call 01444 477003 or email [elections@midsex.gov.uk](mailto:elections@midsex.gov.uk)

Elections are on Thursday 2 May. All East Grinstead Town Council seats will be up for election. Details of how to vote or how to become a candidate will be posted on the East Grinstead Town Council and Mid Sussex District Council websites. Please check where your polling station will be as there are some changes this year.

## Toilets reopen after £50,000 refurbishment

The public toilets on the East Court Estate have reopened after an extensive refurbishment lasting 2 months.

Having been available on the Estate for many years, the toilets were desperately in need of a refit. The Town Council, which owns the toilets, had determined that they would be updated and had reserved a budget; however, the facility was funded using financial contributions paid by developers to mitigate the impact of local housing development. The funding is known as Section 106, a community infrastructure contribution paid by developers to the district council for use in the community. The underspent Town Council budget has allowed for works to upgrade the public toilets inside the mansion to start earlier than planned.

Cllr Adam Peacock, Chairman of the Amenities and Tourism Committee, said: "The toilets are well used, especially now due to the number of annual public events the Council organises. The toilets were badly in need of the refurbishment, and we are grateful to Mid Sussex Council for allowing the Section 106 money to be allocated to this project."

The toilets were reopened by Town Mayor Cllr Rex Whittaker and Mid Sussex District Council Chairman Cllr Bruce Forbes, pictured along with Cllr Christine Mainstone, Vice Chairman of the Amenities and Tourism Committee.

## Taking (no) steps for a better view

Wheelchairs and pushchairs can now gain easy access to the upper terrace at East Court. Until now access has been by steps or by a long route via the War Memorial.

The upper terrace affords lovely views of Ashplats Wood and the distant Ashdown Forest, provides a vantage point from which to watch the East Court Live concerts, and has the Greenwich Meridian Line marker which was positioned there during the Queen's Silver Jubilee celebrations. Improving the access to ensure that the top terrace can be enjoyed by all had been a goal for the Council for some time.

As part of its continued works to improve the Estate, East Grinstead Town Council has installed a ramp beside the steps to allow wheelchair and pushchair access between the upper and lower terraces.

Vice Chairman of the Amenities and Tourism Committee and Town Council representative on the local Disability Access Group, Cllr Christine Mainstone, said: "We are so pleased to be able to invite those with mobility issues to enjoy the grounds from all aspects. While it was possible for them to reach the terraces previously, it involved a longer route on the East Court drive past the War Memorial. This was difficult for the many people who cannot manage steps or walk long distances. The ramp will be much more convenient for those estate users."

## We will remember them

As part of the 2018 Summer/Autumn planting scheme to commemorate the centennial of the end of WWI, 100 wooden poppies became a very poignant feature in the High Street War Memorial beds.

A team of volunteers, under the guidance of Head Gardener Jenny Watson, produced the poppies from recycled timber.

During the design process it was decided that, as with the famous Tower of London poppies of 2014, these would be available for sale to the general public after Remembrance Sunday, with all the proceeds donated to the Royal British Legion East Grinstead Poppy Appeal. The poppies were sold at the Council offices and the Tourist Information desk in East Grinstead library and raised £500.

Lynda and John Railton, who have organised the East Grinstead poppy collections for many years, are appealing for volunteers to support them this year. There are many roles available, from selling the poppies to counting the money to completing the paperwork. Anyone interested in volunteering is asked to contact them via the Poppy Appeal.

## Showcasing local tourist attractions

Our town promotions team has installed a display screen at the Tourist Information desk in East Grinstead library.

Chairman of Amenities and Tourism, Cllr Adam Peacock, commented: "The screen is a great addition to our resources and perfectly complements the extensive range of leaflets that we have to offer. We are looking forward to using the screen creatively to showcase the many tourist attractions in the town and surrounding areas."
