Dear MP and Local Councillor,

Re: Modality Mid Sussex Patient List Closure Application

We are writing to you regarding our application to the Integrated Care Board (ICB) to close the Modality Mid Sussex's patient list to new registrations for six months. This closure will affect all four of our practice locations based in Crawley Down, East Grinstead and Burgess Hill (Crawley Down Health Centre, Judges Close Surgery, Park View Health Hub and Ship Street Surgery).

We have taken this difficult decision to enable us to accelerate our improvement plan, and make the changes required to provide better access and high-quality care to our patients.

Before the ICB take their decision, we would like to provide you with the opportunity to express your views about this proposal. Please provide any comments by no later than **Friday, 13th October 2023**.

All your comments received will be shared with the ICB, so that your views will be considered before a final decision is taken. Once a decision is made about this application, we will share the outcome of the application with you.

Yours sincerely,

Modality Mid Sussex GP Partnership
