- Plus: DJ taster sessions and graffiti workshops
Completely free, no booking needed, suitable for all ages and abilities.

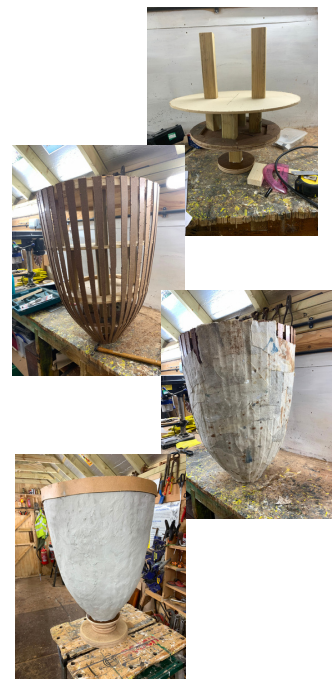

25 YEARS WORKING AT EGTC

Congratulations to Mark on an incredible 25 years with the Outdoor Services team... and as they say here's to the next 25!!!

HIGH STREET FLOWER BEDS

Next year marks the 100th anniversary of the Open Gardens Scheme, the wonderful initiative created by Elsie Wagg, who lived in East Grinstead from 1923 until her death. Her inspired idea saw 600 private gardens opened to the public to raise funds for district nurses, planting the seeds of what has become a cherished tradition. Luc has been busy making a replica of an urn that was one of many in the original garden in East Grinstead. This will be part of a display in the high street bed in 2027. It is now ready to be painted.

NEXT MEETINGS

Thursday 30th July 7pm - **Full Council**

Thursday 13th August 7pm - **Planning Committee**
